

Do I need a furniture protection plan?

- It covers life's little accidents, such as food or drink spills and accidental damage to your furniture.

- When accidents happen, we have a team of trained furniture experts ready to repair damage and remove stains. To make a claim, simply visit our website (guardsman.co.uk) or call our UK call centre.

- Wherever possible, our network of expert repair technicians and cleaning specialists always try to repair the damage.

- If a repair isn't possible, we will source new parts for you, or a replacement item if parts are not available.

- Claim for as many incidents as you need over 5 years. You'll have cover for parts, labour and replacement items up to the indemnity value of your plan. Your indemnity value is the price you originally paid for your furniture or £15,000 (£25,000 for beds), whichever is the lowest. Your limit of indemnity will reduce after each claim.
